

Charles Runyon Memorial Tour Vashon Island – Saturday April 13th (rain date – April 27th)

Our Vashon Tour this year honors Charles Runyon of The Roadster Factory. Charles is the reason we are all still driving Triumphs in 2019. He supplied top quality parts, info and encouragement since the 1970's. Mark your calendar to join Tom Eller on **Saturday April 13th**.

Plan to catch the 10:45 AM (preferred) or 11:10 AM ferry from Fauntleroy to Vashon Island. Fares are now \$20.95 for the round trip with your Triumph (less than 14' long – you may need to tell them) for driver and passenger. Seniors are \$18.15.

Drive straight off the ferry to town (about 5 miles on the Vashon Hwy SW) and choose a lunch venue with the Tye friends you met on the boat. There are many small restaurants to choose from, but we will not attempt to eat as one (possibly large) group.

Gather for the tour at 12:45 PM at the Vashon Market IGA on 100th Ave SW. Join us there if you bypassed lunch. Then plan on a low speed, very back roads, scenic tour of the island. The fastest we'll go is when we're on the ferry!

Please RSVP to Tom Eller at tomeller@yahoo.com if you plan to attend. Tom will notify you by email if the weather causes a reschedule to the rain date.

***Top down, wind in your hair, the roar of a Triumph,
and a line of Triumphs to look at...
what could be better?***
