

## **Tyee Triumph Club -- Umbrella Order – Don't Miss Out !**

Hello Tyee Members!

I am working on a Tyee Triumph Club custom umbrella order with our logo on it. Umbrellas are great for the rain, sunshine & having open over your car seat to keep it cool in the hot sun.

From the earlier request, the Red/White/Blue umbrella was the favorite but I only received 8 reservations. The minimum quantity that I can order is 25 & the Tyee Board decided that we would need to have a reservation order quantity of a min. 20 before I can order them. So if you'd like a one-of-a-kind Tyee umbrella, now is the time to let me know.

All you need to do is send a quick email: Your name & how many umbrellas you might purchase. (If you already reserved one from the previous umbrella request, I will keep your name on the list unless you email me otherwise).

The Tyee logo will be in full color on one of the white panels. Approx. cost \$25 each.

Thanks!
