

Hello Fellow Tyee Members,

I've volunteered to act as the focal point for the Exotics at Redmond Town Center "All British Day". This event will be held Saturday morning 9/14/23. No need to pre-register and no fees, just a group of impressive British cars in a very approachable, comfortable and easily accessible setting!

The event runs from 9:00 AM to 11:00 AM on Saturday morning, but they insist that we arrive much earlier than that for placement on the field. See details below.

If this show turns out like prior years you will be surprised by the big money British cars that show up here but didn't bother with the WWABFM. Plan to be amazed. This event is worth getting out of bed early on a Saturday morning!

**Our plan for Saturday 9/14/23 is as follows:**

1. Please send me an e-mail to let me know you plan to attend ([jeff\\_...@msn.com](mailto:jeff_...@msn.com)). I'll use this as a quick way to keep you apprised of any changes in the plan as the E@RTC governors will cancel the event if there is a threat of rain.
2. We will meet ahead of the show and enter the grounds together as one group so that they place us all together as the Tyee Triumph Car Club. Please remember to bring your Tyee aerial flags. Also, please bring your Tyee Placards that you received at the WWABFM. We will leverage this event, like the WWABFM, to promote new Tyee membership.
3. We will meet at 7:00 AM in the parking lot of Cost Plus/World Market which is located at 7214 170th Avenue NE in Redmond, Washington. Plug that address into Google Maps or Waze and it will provide the directions.
4. We'll depart the Cost Plus parking lot at 7:15 AM and motor across the street to enter the event together via 166th Avenue. The show starts at 9:00 AM and runs to 11:00 AM. We'll drink coffee and socialize until the show starts.

The good news is that there are plenty of high quality bathrooms plus good coffee and pastry in the Redmond Town Center. Bring a camera as some of these cars are unique. Bring a chair, too.
