

Fenders on Front Street Sunday June 15th, Issaquah

Fathers Day, time again for Fenders on Front Street! This is an annual event in the old part of Issaquah. The Triumphs are always very popular in the midst of the great turnout of hotrods and classic cars. Park your car with the group and enjoy Issaquah's shops and restaurants while you take in the show. Rain or shine, it's always fun.

The show is free (donations appreciated) and you simply register online at <http://www.fendersonfrontstreet.com> and print out your own windscreen sign. Ray Bishop has offered a meeting location for those who would like to park together with club members. Meet at Starbucks located at the front of Safeway, 725 NW Gilman Blvd at 7:00 AM. The group will depart at 7:25 to enter Front Street from the north. Be sure to register online in advance.
