

Whidbey Island Garage Tour June 10, 2023

Mark your calendar for Saturday June 10th and join us on Whidbey Island. Bob and Crystal Yates will be hosting Tye at their home in Clinton for a morning garage tour. Bob and Crystal have a 1973 TR6 and a 1970 XKE, so count on lots of LBC talk.

Aim for the 9:00 AM ferry from Mukilteo. If it's a beautiful summer day, you may want to be there an hour ahead (there's a new, large ferry line holding lot). Bob and Crystal will meet everyone around 9:30 at a designated parking lot near the Clinton ferry terminal and lead a little scenic tour to their home. If you miss that ferry, you can meet up at the house. Watch for all these details.

Around noon, we'll head to Cozy's Shrimp Shack and Grill for lunch. Stick around after lunch for another cruise around the area, ending at a winery.

Please RSVP to Bob at rhumbline007@gmail.com for his planning and lunch head count.

Hope to see you there!
